

## Buyers / Retailers

Buyers and retailers are encouraged to attend this great American fashion event. Fashion Week Cleveland, which has been called "the nation's third largest fashion week after New York and Los Angeles," (Womens' Wear Daily) combines art, fashion, and music. We spend a great deal of time searching for talented designers who compliment our "stylish" events.

Would you like to attend Fashion Week Cleveland? Would you to be one of the first to see and purchase garments from these talented designers? If so, please contact:
